

How to download Kindle eBooks from Library Catalog Cadillac-Wexford Public Library 2011

Checklist before Downloading

- Must have an Amazon.com account.
- Kindle battery charged
- A valid library card # and PIN (contact the Library for this information)
- A computer with Internet access

Step 1: Browse to the Library's Digital Collection website

<http://www.cadillaclibrary.org> Click on Up North Digital.

Step 2: From there, scroll to the bottom and Click "View all eBooks" in the box titled "Collections" in the far left column.

Step 3: Browse the selection and Click on the Kindle title you'd like to borrow or type an author or title in the "Search within Results" field at the top of the page. If you wish only to see titles that are available for immediate checkout, check the box that says "Only show titles with copies available", then click the "Submit" button next to the search box.

Step 4: To the right of the Kindle Book, click "Add to Cart." You may also place a hold on any item that has a link that says "Place a Hold". These items are currently checked out to someone else, and you will receive an email when it becomes your turn.

Step 5: After adding an item to your Cart, Click "Proceed to Checkout"- > Select Cadillac-Wexford Public Library from drop down menu, and enter your library card # and **PIN (library card number)** Click "Confirm check out" -> Click "Get for Kindle"

Step 6: A new window pops up for Amazon.com. Click "Get Library Book" Sign in to your Amazon account, Choose the device you'd like to download the book to and Click "Continue"

If your Kindle is connected to a Wifi or 3G network, or if you will read the book from the Kindle app on a mobile device, your book will automatically deliver to that device. There is no need to connect it to a computer. If your Kindle is not connected to the Internet, Click "Download Now" and follow the steps to save the file to a computer and copy it to the Kindle when connected to the computer via USB cable.

You are able to return a book early or delete it using the Actions menu for each item via the "Manage Your Kindle" link in your Amazon account. Amazon will e-mail you when you have three days left to read the book and also when it has expired.
