How to download Kindle eBooks from Library Catalog
Cadillac Wexford Public Library April 2013

Checklist before Downloading
_Must have an Amazon.com account
_Kindle battery charged
_A valid library card # and PIN (pin is library card #)
_A computer with Internet access (or WiFi connection)

Step 1: www.cadillaclibrary.org Click on Up North Digital (yellow button).

Step 2: There is a search box on the right hand side of the website for searching for a specific title or author. You may also search the collection by clicking on one of the "Collections" just under the Up North Digital Collection banner. Clicking the view more will get you all the collections in that category including "All eBook Fiction Titles." Click on the collection you wish to browse for books.

Step 3: Once in the collection you can search within results or filter by author, title, release date, or the format, subject, publisher. You may also change the format that you search in as cover, grid or list.

Step 4: You can tell if the book is checked out because the symbol in the right hand corner of the book will be grey. If the book is **available** it will be **black**.

Step 5: Once you find the book you want click on the "Borrow" button. Select Cadillac-Wexford Public Library from the drop down menu, enter your library card # and **PIN (Library card #)**. You can choose to have it remember your info to the device you are using. Click "Sign In."

Step 6: Your Bookshelf will appear. Click "Download" and select "Kindle Book", click "Confirm & Download."

Step 7: A new window pops up for Amazon.com. Click on "get library book." Sign into your Amazon account, choose the device you'd like to download the book to, and Click "Continue."

If your Kindle is connected to a Wifi network, or if you will read the book from the Kindle app on a mobile device, your book will automatically deliver to that device. There is no need to connect it to a computer. If your Kindle is not connected to the Internet, Click "Download Now" and follow the steps to save the file to your computer and copy it to the Kindle when connected to the computer via USB cable.

To return Books
Go to Amazon.com click on "Manage your Kindle." Once there click on the "Action" button on the left hand side and move down to "return book" and click. This should return your borrowed book.
