Each large square contains nine small squares with activities. Once you have marked off 5 activities in ONE big square, bring your sheet into the library and you will get to choose a prize book. If you finish all four squares (20 activities), turn in your sheet including your name and phone number. Your name will be entered into a drawing for a Grand Prize!
 Note: You don't have to read a whole hour all at once. You can read 10 minutes here or 20 minutes there. Just make sure you have read an hour total for each one hour box.
